ABOUT ELLER MIS

Since pioneering one of the nation’s first Management Information Systems (MIS) curricula over four decades ago, the MIS department at the University of Arizona has been a leader in IT education and research.

*U.S. News & World Report* has ranked our program among the top five in the country since the rankings began in 1989.

Eller MIS reflects the vigorous dynamics of technology today. Our research projects generate real-world solutions that improve business. Our distinguished faculty win research and teaching awards. Our alumni hold leadership positions in diverse business environments, from Fortune 500 technology and consulting enterprises to emerging new ventures.

CONNECT WITH US

The MIS Career Management team will work with you to develop a customized plan that will give you access to the talent your organization needs.

Options include:

- Career treks
- Company sponsored events
- Information sessions
- Interview rooms
- Job postings
- Mock interviews
- On-campus interviewing
- Resumes
- UA career fairs
- Video conferencing
